Job Description**

Job Title: Paraprofessional Educator; One-on-One (Temporary)

Reports To: Appropriate Teacher(s) or Administrators

Evaluated By: Administrator

JOB GOALS:

Under the guidance of the classroom teacher and the direct supervision of program assistant directors/principals, our paraprofessionals aid students in meeting their individualized education plan (IEP) goals in areas such as: educational, communication, emotional, physical, and behavioral. Paraprofessionals work with students individually and in small groups on these goal areas, along with additional goals set by speech language pathologists, occupational therapists, mental health practitioners, and other professionals working with students. In this role, one helps model and encourage respect, communication, and competency during student work tasks and during socialization. Professionalism, empathy, and a non-judgmental approach are essential when working with students receiving special education services to ensure their safety and growth and in order to help them understand and exhibit appropriate behaviors at school and in the community. A paraprofessional is part of a team environment, where collaboration, communication, and adaptability are key to the success of the team and the success of the students. The paraprofessional role is performed following District policy and State/Federal Laws.
